

Faire créer un autel laraire

Matériel

Une boîte vide de carton ayant contenu des feuilles A4

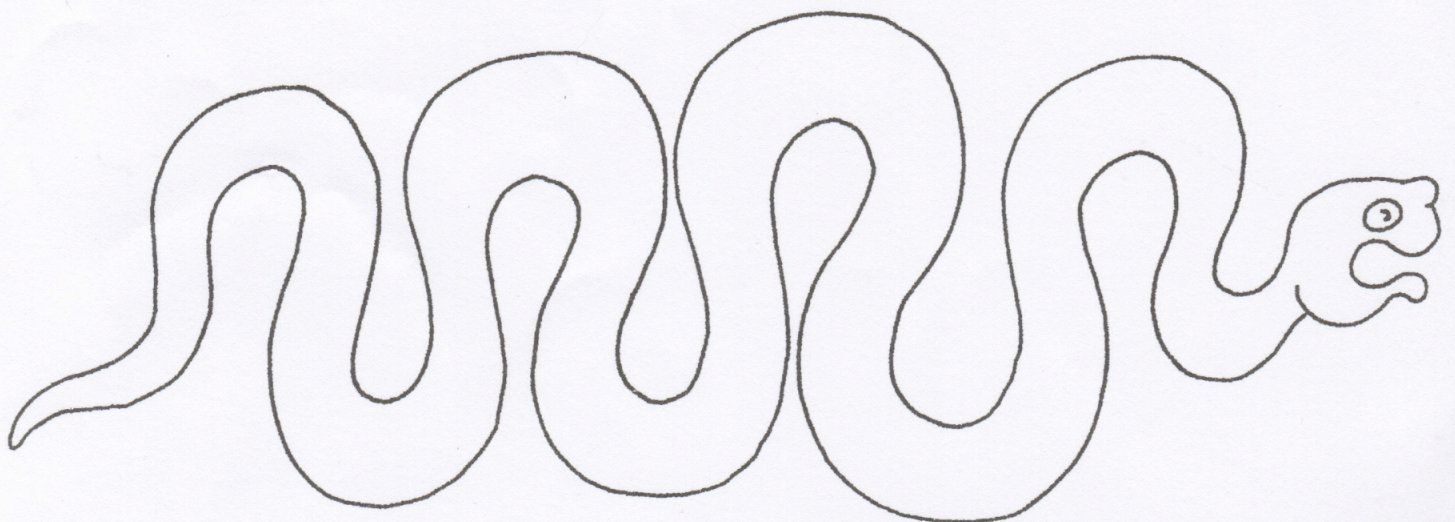

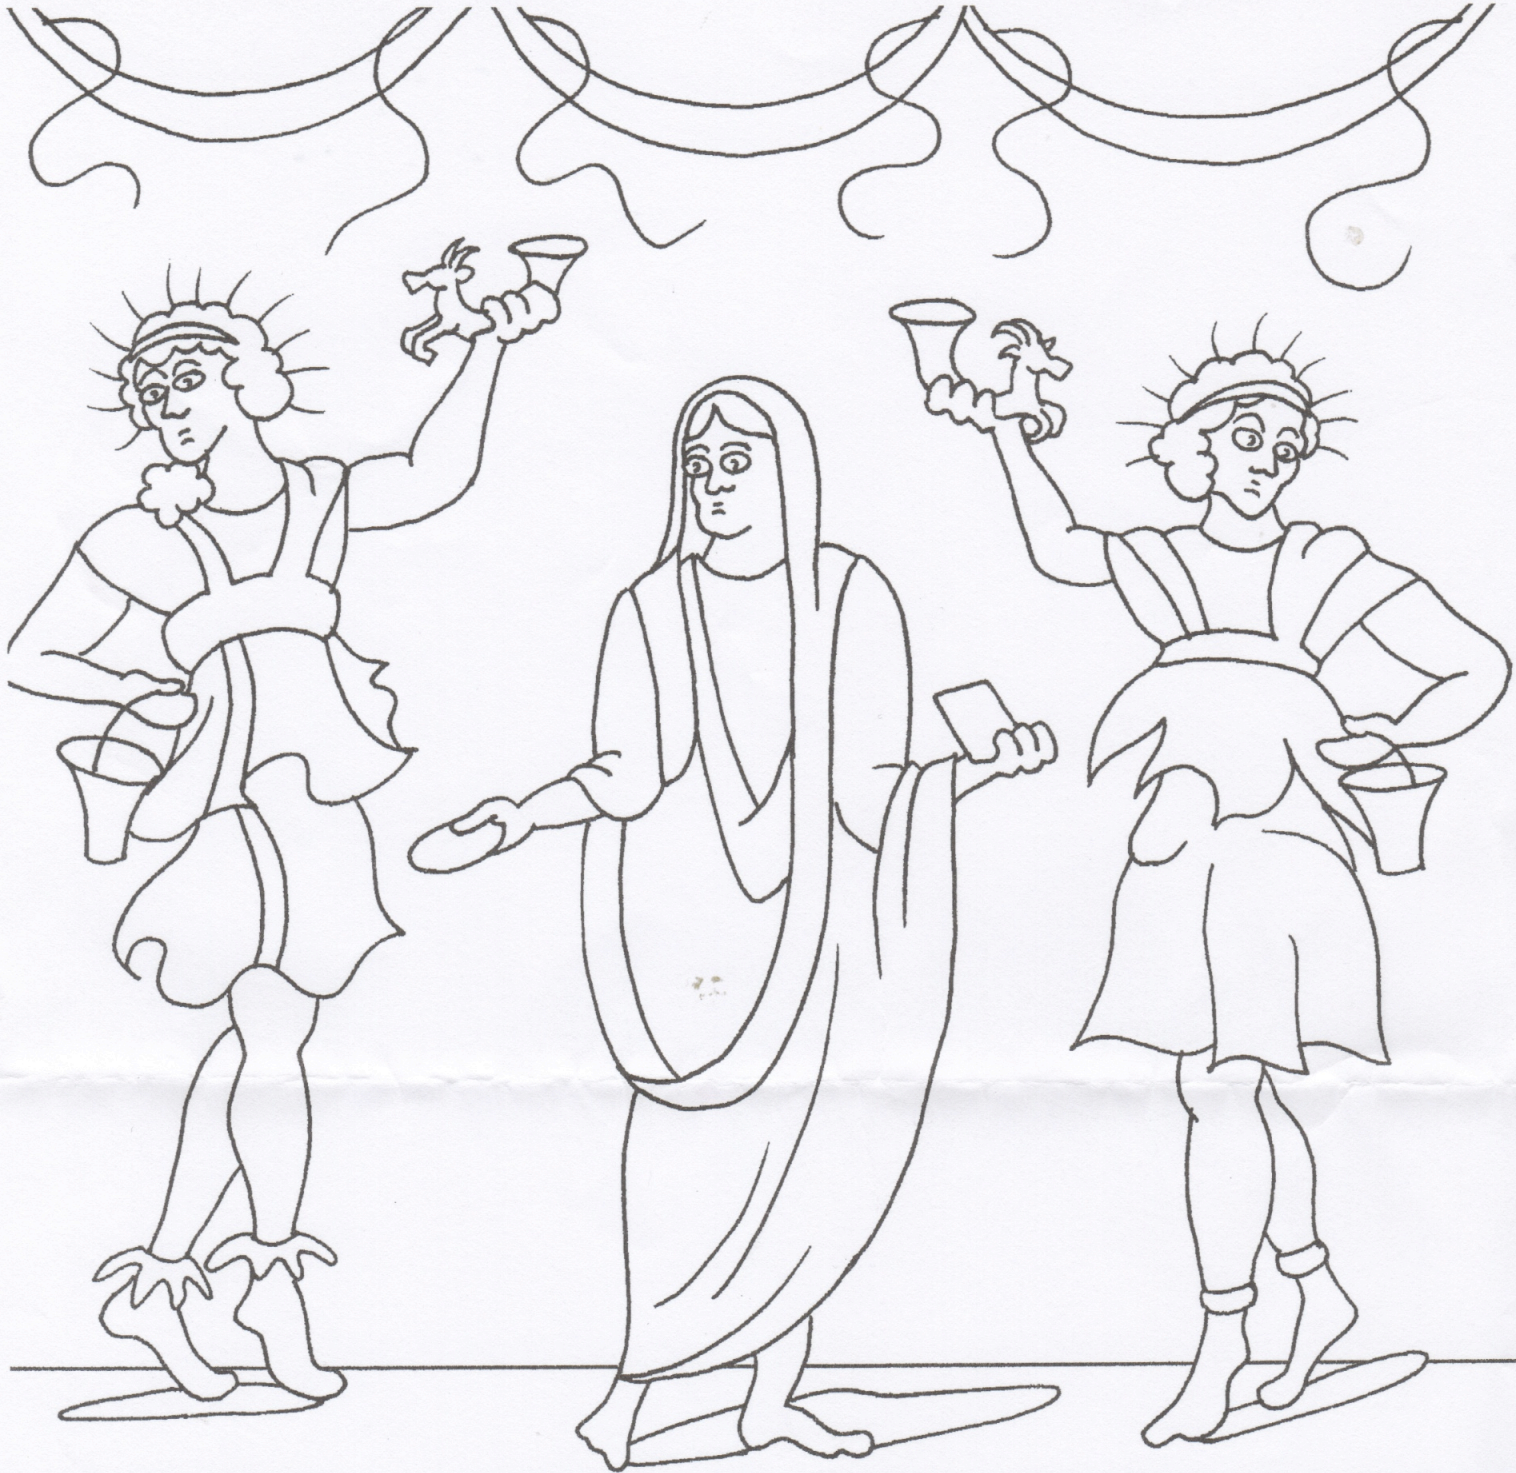

Le document ci-joint

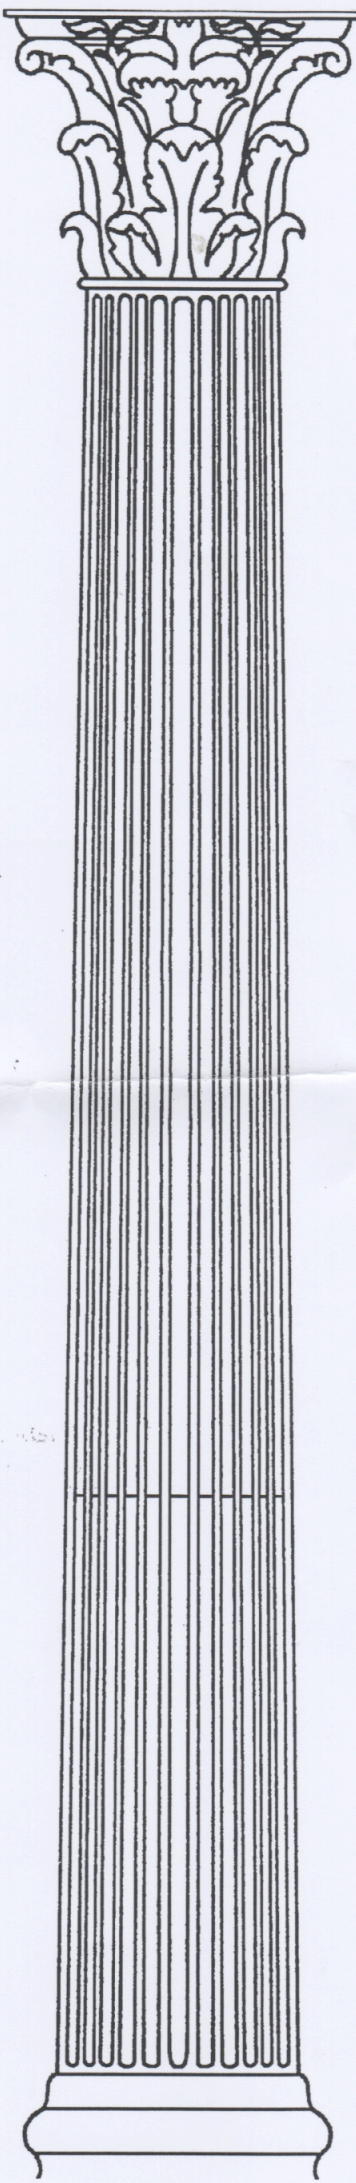

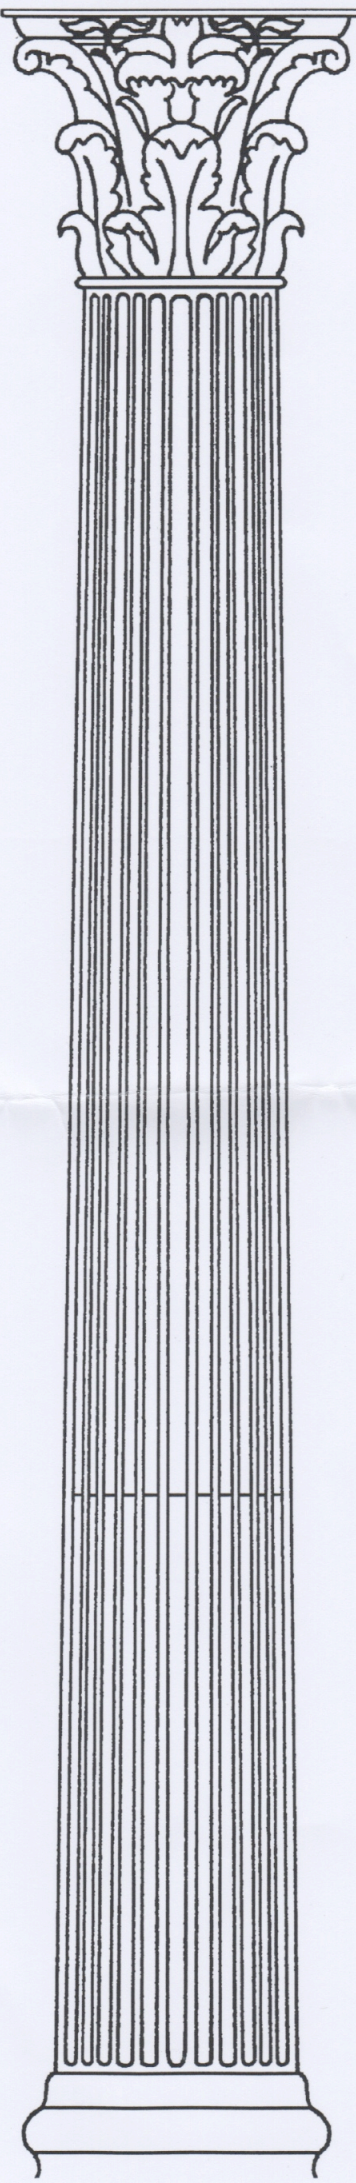

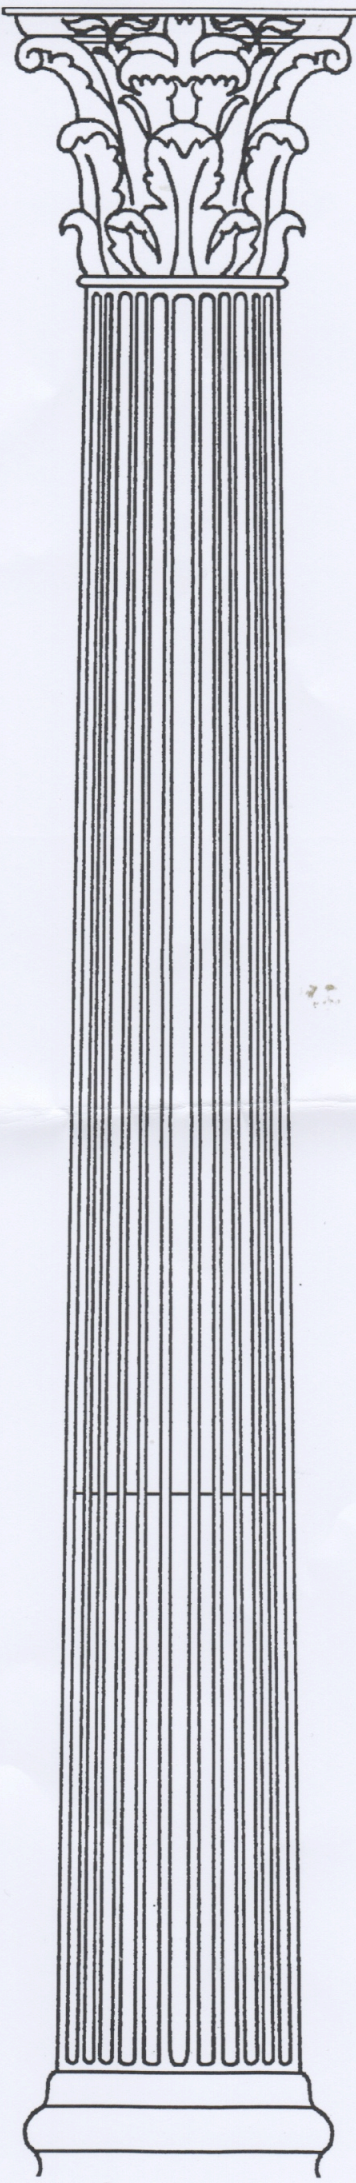

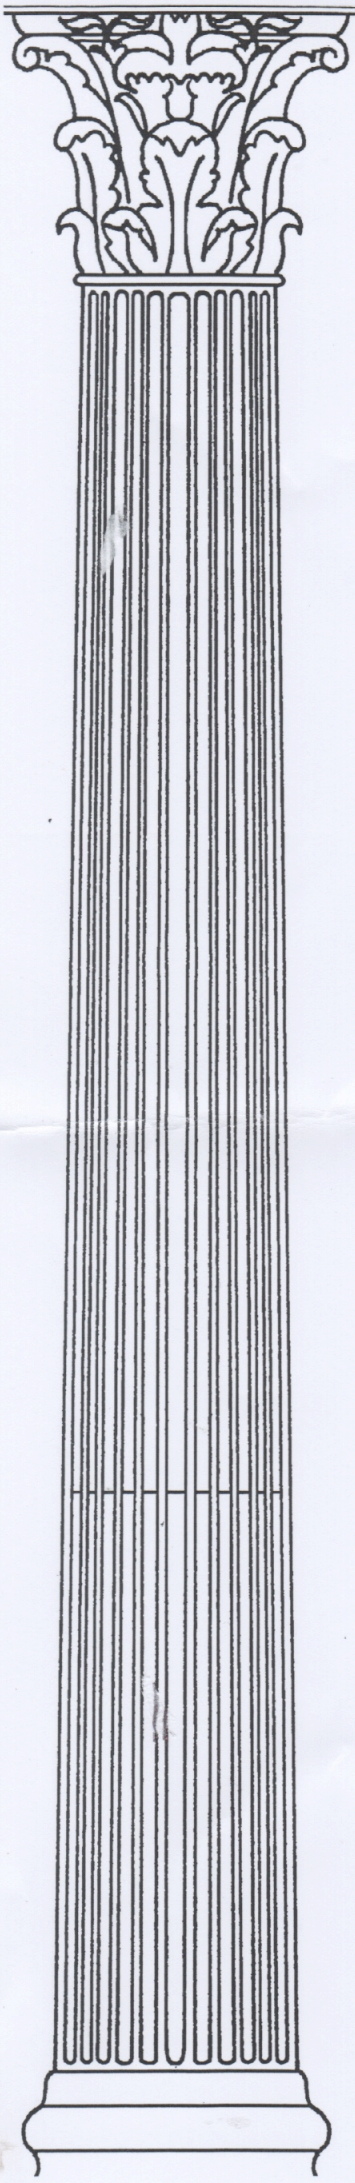

Ciseaux, feutres...

Étapes

Les élèves découpent le patron de l'autel araire. Ils décorent et colorient les parties et les collent sur leur carton. Succès assuré pour cette activité.

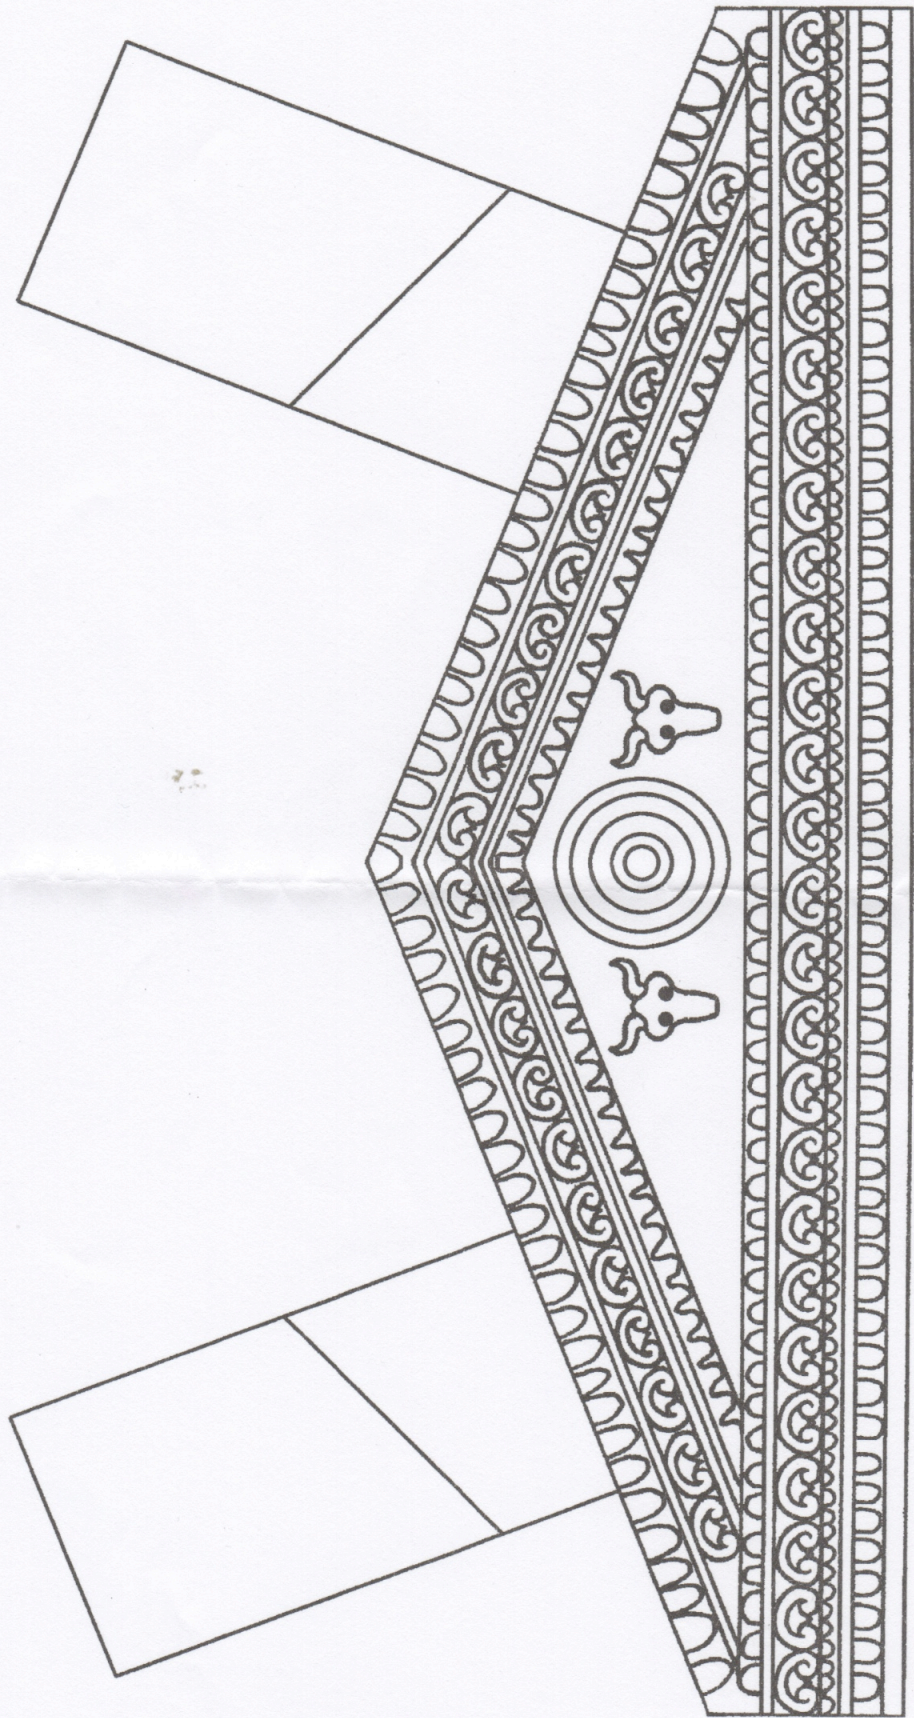

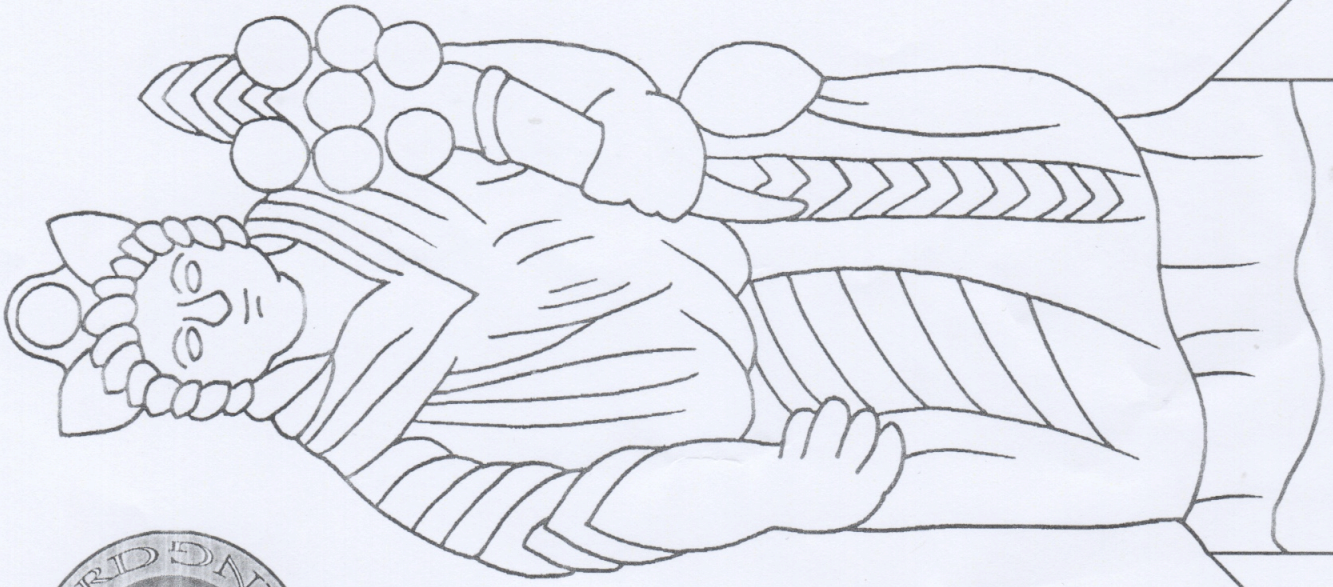

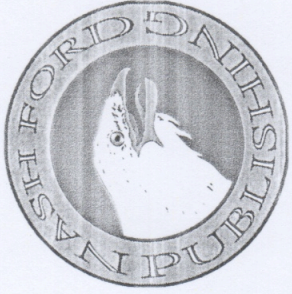

MAKE A LARARIUM

A 'lararium' was a household shrine where the Romans could pray and make offerings to their gods in their own home. The gods usually included one or more 'lares' who were the gods of the home, but you could add small bronze or clay statuettes of all your favourite gods. The lararium could be made of wood or stone and usually resembled a miniature classical Roman temple. Follow the instructions to make one of your own.
