Déroulement

But du jeu : créer et décrypter des phrases absurdes en respectant des contraintes grammaticales et en utilisant les symboles Montessori.

Jeu 1

Cadavre exquis : chaque joueur place une carte sans voir la phrase complète. On pourra utiliser le dé.

Jeu 2

Phrase codée 1 : transformer une phrase en remplaçant les mots par leurs symboles.

Jeu 3

Phrase codée 2 : transformer une phrase en remplaçant les symboles par des mots.

Jeu 4

Chaque joueur tire 5 cartes au hasard. Il lance le dé et doit compléter avec le type de mot sur lequel tombe le dé pour former un poème.
